

APPLICATION FOR ADDITIONAL IP ADDRESSES

Please complete the following form indicating why you need public IP addresses as opposed to private IP addresses. (Ex. Secure Certificates, VPN, remote access devices/clients, Web servers, mail servers, FTP servers, etc.) Fax this completed form to **262-248-6959** or email to **support@mia.net**

NOTE: If your organization already has IP address space assigned, you must utilize 80% before applying for more IP address space.

Customer Name (printed)	Customer Phone Number	Date	
Company Name	Bella Mia Account ID (if known)		
Street Address			
City	State	Zip	Country

1. How many public IP addresses are currently allocated to your organization? _____

2. How many additional public IP addresses are you requesting? _____

3. Please list all existing networks and subnets used by your organization already, including those from other Internet Service Providers. (If you are requesting a /27 or larger you must indicate previous or current usage below)
(use an additional sheet of paper or the back of this form if you need more room.)

IP . . . / Usage:

5. Please provide any additional details concerning current address space usage that would assist us in reviewing your application.

Note: If any portion of this form is incomplete it will be rejected. We will need to see 50% usage of these blocks immediately and 80% usage in 3 months. We have the right to perform ping tests on these IP ranges to determine if these IPs are in use. We also reserve the right to reassign IP blocks that do not meet the usage requirements listed above. (UPDATED 3-9-11)
